Photo Session - £55

The photo session is for those who want to have their picture taken by a professional photographer. The session is designed to provide a few professional images with a fast turnaround - Ideal for gifts. The session fee is £55.

Included within the session fee is:

- A photo session lasting up to 1 hour, plus setting up time. This time is enough for a few group shots and pictures of individual family members with some outfit changes thrown in for good measure if you want.
- From the images taken a minimum of 20 images will be processed for uploading online.
- Processed images are normally online within one week - you will be informed by email as soon as they online.
- A voucher worth £40 to use against the purchase of products or prints (as an example this would buy you two 10" x 8" prints plus one 7" x 5" print using the special photo session package available online)

Photo Session - £100

Identical to the photo session above, but this time you get a voucher worth £100, so you effectively get your session at no cost.

Gift vouchers

Gift vouchers are available for purchase online and priced from £55 through to £250. All gift vouchers include a photo session.
